**Important Request for Your Cooperation**

While using the property at West Thompson Lake, keep in mind that we do not have exclusive use of this area for our test. Other people and dogs may be hiking through. Be cordial and be sure to keep your dogs under control at all times. Observe the 10 mph speed limit (it is enforced!). Do not leave ANY litter behind and be careful with matches and smoking materials. When you enter the property, please close the gate after you pass through.

Liability: I agree that the dog named herein is entered in and will be in the test at my own risk and that I will hold the host club, its members and agents, free from liability for any claims arising out of the entry of the dog or its presence at the test.

We are once again delighted to have Jeremy Kezer photographing our event. The pictures he takes of our dogs and handlers will be posted on his website above for all to enjoy and/or purchase two to three weeks after the test.

Effective Immediately

The GRCA board is now requiring entries in the WC/WCX and CCA to send a copy of the dog's AKC/CKC registration with their entry forms. This is due to errors on entry forms with the spelling of dog's name, AKC number, etc. The yearbook staff has to verify the dogs and their sires and dams for accuracy, and by submitting a copy of their registration, it will help immensely. Event secretaries will send a copy of the AKC registration of all Golden's passing the WC/WCX test with the event's final report to their WC/WCX regional representatives.
