

YANKEE GOLDEN RETRIEVER CLUB PUPPY KINDERGARTEN WILL:

- Give advice on correct socialization and training techniques.
- Offer help with puppy behavioral problems.
- Let you know about spaying, neutering, breeding, showing, etc.
- Describe grooming, health care, safety, tattooing, etc.
- Explain how to communicate effectively with your puppy.
- Notify you about the Golden Retriever breed in general, the Golden Retriever Clubs, events, etc.
- Show you how to teach your pup to be a retriever.

ALL THIS AND MORE!

This is a unique opportunity for you and your puppy to meet, train, and interact with other Golden Retriever puppies and their owners, under supervision of experienced and knowledgeable Yankee Golden Retriever Club members.

GENERAL INFORMATION

The first class is a lecture/demonstration. *Do not bring your puppy.* Notebook and pen will be helpful.

You will need a buckle collar - 3/8" to 5/8" wide - leather or nylon webbing. The leash must be 6' in length - 3/8" to 5/8" wide - *with small snap* - either leather or nylon/cotton webbing.

Dogs must be exercised in and remain in the parking lot area. You must clean up after your puppy, both inside and outside. Supplies are provided.

The floor is covered with rubber matting to prevent slipping, but low heeled shoes are a necessity. Because you will be working with a small puppy, you will find yourself on or close to the floor a good part of the time. Washable, casual clothing is recommended.

We encourage **all** family members to attend. Your family and puppy will benefit if all receive the same information and training instructions. Children who *want* to come are welcome, and are often the best trainers, but please don't *make* children come.

If your puppy is not feeling up to par on class night, please leave him or her at home, but you should attend to keep up with class material.

If the weather is bad, training classes will not be held. If you are unsure, call 978-263-7749 after 4:00PM on class day for recorded information. A make up class will be scheduled.
